

# Gifts for Grades

We continue to reward good report cards.

Here's how Gifts for Grades works:

Students K–12 who present their most recently issued report cards with “A”s, “B”s and “C”s (or equivalent because some students get numbers or shapes for grades) and make a \$10 minimum deposit into their Credit Union account will automatically be entered into our quarterly raffle for a chance to win an Apple iPod Shuffle. Students will get 3 tickets for each “A”, 2 tickets for each “B”, and 1 ticket for each “C”.

The better your grades, the more chances you have to win.

*Drawings will be held quarterly beginning December 2013.*
