A Message from Your Friends at the Credit Union

By Nicole Hudak

“Back in 1979 my son started St. James School. Once a week they could bring money for a savings account in the Parish Hall. Our son had his little banking book and brought a couple dollars to school to deposit it and get it stamped. He was very proud of saving money. It was so easy for the children. Eventually we enrolled our other children and also us. The credit union moved from the school to other facilities and we followed. As our children got older they also kept up and some of their children began savings accounts until we had about 7 accounts with PFCU. We moved from that St. James area, as all our children. However, our move is just about in the back of the credit union. Though my accounts are rather small in money we continue our faith in the credit union that faith brought to us.” —Anita, member since 1981.
