A Message from Your Friends at the Credit Union

By Nicole Hudak

In 1961, Yuri Gagarin became the first human in space, Audrey Hepburn starred in Breakfast at Tiffany's, George Clooney was born, and inside St. James Parish in Redondo Beach, Parishioners Federal Credit Union was established.

This year marks our 55th year of service. We've come a long way from taking deposits inside a local parish, to running a fully functional branch with a suite of electronic services.

We've shared a lot of great times with our members over the years, and we thank you for sharing your memories with us:

"I was 15 when I opened my account originally. I was working at the time so while I was at school someone would come pick up my checks and deposit them for me. Now my children have their accounts here and I hope they benefit from their accounts as much as I did with my first car loan when I was 18."—Shannon

"Do you remember a time when your mom or dad took you to the only bank in town? And the teller knew you by name? And told you how nice it was to see you? That's Parishioners FCU. The entire staff lets you know how special you are by their service and attention!"—Kim

We would love to hear about your memories with the credit union. Please share your stories with us by leaving a testimonial at www.parishionersfcu.org/testimonials.php or leave us a review on our Facebook page www.facebook.com/Parishionersfcu/reviews
