A Message from Karla Jovel

I just celebrated my work anniversary with Parishioners. Wow 19 years went by fast! Yes that's right, I have spent most of my life working at Parishioners and I am proud to say I am blessed to work for such a caring, compassionate, and kind company who puts the staff and members before anything else.

With so much uncertainty going on these days you may ask yourself, when is this madness going to end? Will we ever go back to what "normal" was for some of us? But you can rest assured we at Parishioners care for you and are here for your banking needs.

We know many of you depend on your local branch and we want you to know our branch remains open to help you with your financial questions, requests, and transactions, so you can focus on what matters most. We also implemented measures recommended by the Centers for Disease Control and Prevention. Additionally—from the privacy and safety of your home or office—you can access your accounts and other banking services by using our mobile app, digital banking, or the automated phone banking system. With our digital banking and mobile app, you can open accounts, make transfers, pay bills, pay people, deposit checks, apply for loans, and manage your debit card.

Take advantage of our crazy car loan rates as low as **0.90%** and **0%** for the first 3 months! Earn extra cash by referring your friends and family to refinance their loans and open an account with us.

I look forward to a brighter future for all of us and another 19+ years serving you.

Thank you for your membership and support!

Congratulations Rebecca on 12 years with the Credit Union this quarter!
